

2008 Puyallup Soccer Club Scholarship Form

Notice: The Puyallup Soccer Club is dedicated to youth soccer in the greater Puyallup area. We have limited funds set aside for families in need of financial help during registration. Because we have a limited amount, each registered player that meets the required criteria will share, equally, the budgeted amount allotted. This may result in full scholarships, or in the event of many applicants, only a partial scholarship.

Each applicant must register on-line prior to completing this application. Please add "request scholarship" to the comment box during registration, then select "pay by check" to finish the registration process. The registrar will then contact you regarding the amount of money available, and payment options for the remainder, if applicable. **A scholarship award will not include any mandatory fundraiser amounts due upon registration. Scholarship recipients are still required to participate in club sponsored fundraising events.**
